FISH: Bass (largemouth and smallmouth), muskies, northern pike, walleye, yellow perch

HIGHLIGHT: Trophy smallies and walleye, with many areas to fish

tour the past

The story of our region began more than two centuries ago when United Empire Loyalists and other European immigrants of German, Irish, and Dutch descent settled this beautiful, fertile land. Owing to the Highland Clearances, a large influx of Scottish immigrants arrived during the 1780s, making their home in the area that would become modern-day Glengarry.

Take a tour through history to experience how the traditions and cultures of these settlers has shaped the social fabric of Stormont, Dundas and Glengarry.
